DESCRIPTION

Along the Drava river and the homonymous cycle path you will reach Villach, the door between the nearby lakes Faak and Ossiach as well as the Villacher Alpe. Turn of into the Cycle Path Alpe-Adria you reach the Adriatic sea with milelong sandbeaches and the bathing resort of Grado. Undoubtedly, the „Drau Bicycle Path“ is one of the most spectacular bicycle routes in Europe and has been classified in 2016 from ADFC as 5-star-qualityroute. The cycle path starts at the source of the Drava River in Dobbiaco. The river Drava accompanies you on the way to the East Austrian capital of Lienz. From here the tour takes you through Spittal a.d. Drau to Villach. Real soon you have to say goodbye to Austria, before the bicycle tour continues in Italy. This mixture of the cultures reflects itself also in the cuisine: Alpine-Austrian, Slovenian and Venetian influences characterise the gastronomic offer of the region. Enjoy a “slacker-day” at Grado, one of the most popular bathing resorts of Italy. The route from Hochpustertal to Villach mainly takes you alongside the river Drau and there are no steep inclines. The bicycle path is well marked. The route from Villach to Grado goes along bike paths or very quiet side roads, through small villages and picturesque landscape.

You continue from where the Isel flows into the Drau and carry on with the bike path to Oberdrauburg (“Perchten and Alm” museum and old mill) – famous for its trout breeds.

📍 Day 3: Oberdrauburg – Spittal a. d. Drau
