It is a particularly family-friendly route, mostly flat and mostly following cycle paths away from traffic. This bike tour offers plenty of time to discover and explore the destinations and, of course, to enjoy a leisurely swim. Carinthian lakes attract many visitors because of their warm waters, beautiful lidos with large sunbathing areas and several small bathing areas which are accessible free of charge. The program includes the most famous lakes, such as Ossiacher See, Faaker See and Wörthersee. What can you expect? a cycling holiday that will also delight the little ones! The stages mostly develop on cycle paths, often directly along the lake shore. The route is mostly flat. The short cycling distances leave plenty of time to explore the landscape. Tour suitable for families.

(ca. 45 km)

The first bike stage takes you from Villach to the Ossiacher See and around the lake. If you wish and they are available, you can also board one of the boats, for example the boat from Ossiach to Steindorf and visit Slow Trail Bleistätter Moor. Otherwise you can use the free access to the lake to cool off. A pleasant cycling day for the whole family!

📍 Day 4: Faaker See – Wörthersee/Pörtschach

(ca. 22 km)

From Faaker See you will continue on to Carinthia's most famous lake, the Wörthersee. The tour will take you a short way along the river Drau. At Wörthersee there are well-known seaside resorts which invite you to stroll along the shore, where there is always something for young visitors. If you wish, you can extend your ride to Klagenfurt, which lies on the eastern shore of the lake. Here you will find three beautiful attractions such as Minimundus, the small town on Lake Wörthersee, the reptile house and the planetarium. To return to the hotel you can take the boat or the train (tickets not included).
