DESCRIPTION

The Dolomitenlauf is the largest cross-country skiing event in Austria, which is realised according to a unique concept: „No matter whether for professionals, amateurs or pleasure sportsmen - for every ability, every taste, every age we offer the right competition with the appropriate sporting challenge. And all this in front of an impressive natural backdrop!“ This is how LRC organiser Franz Theurl describes the Nordic highlight in East Tyrol. During the three-day event, a total of six different races of varying distances and degrees of difficulty will be held. In addition to the centrepiece, the big DolomiteRun on Sunday, the „Dolomite Sprint“ on Friday evening is a sporting highlight and a huge social spectacle.
