DESCRIPTION

The starting point of this bike tour is Villach, situated on the edge of the Klagenfurt basin, where the rivers Drau and Gail flow together. Soon, however, it is time to say goodbye to Austria, before the cycling tour continues in Italy. The Friuli-Venezia Giulia region not only offers a variety of landscapes, but also invites you on a journey through the cultural diversity of the region. This mix of cultures is also reflected in the kitchen: Alpine-Austrian, Slovenian and Venetian influences characterise the gastronomic offer of the region. Leaving the peaks of the Carnic Alps far behind, you will cycle towards the sea on the southern side of the Alps. In front of you the Adriatic coast will stretch with miles of sandy beaches. The tour from Villach to Trieste is an easy tour. It goes along bike paths or very quiet side roads, through small villages and picturesque landscape.

The townscape is characterised by the majestic cathedral "Santa Maria Assunta" which is certainly worth a visit. The wine determines today's stage. Hills full of grapevines line your path and invite you to taste some good wines. The Venetian influenced Udine exudes calm and prudence. Enjoy a cup of coffee on the "Piazza" or stroll through the city centre and admire important Gothic and Renaissance buildings.
