Duration: 8 days / 7 nights

DESCRIPTION

Italy is an absolute dream destination, and Tuscany is one of its most beautiful regions. Gentle hills, vast vineyards, and sun-drenched olive groves line your route. After each stage, you'll get to indulge in local cuisine—think pizza, pasta, wine, and a refreshing spritz. Art and architecture are just as much a part of your cycling experience as the region's scenic highlights. This tour is based out of one hotel in Montecatini Terme, from which you'll head out on six day-rides to some of Tuscany's most iconic spots—including the Val di Nievole, Florence, Lucca, Vinci, and of course, the coast. Each evening, you'll return to your carefully selected hotel, handpicked by us. Active travel meets dolce far niente—so what are you waiting for! Experience Tuscany with all your senses - your base is in Montecatini with the Hotel Croce di Malta. The Val di Nievole offers unique views of the region and from Monte Pisano, you look out over the vastness of the sea. Tuscany is a stunning region, but also a hilly one. After conquering the climbs, you'll be rewarded with breathtaking panoramas. You'll pedal through cypress-lined avenues, vineyards, charming villages, and all the way to the Mediterranean coast—there's never a dull moment on this journey. The route mostly winds along peaceful back roads, with occasional stretches on rustic country paths. Near larger towns, brief sections with heavier traffic are to be expected.

DETAILED ROUTES

📍 Day 1: Arrival in Montecatini

In the evening, you'll receive your tour details and collect your bike. A gentle walk through the park or a ride on the historic funicular up to Montecatini Alto offers a delightful start. Begin your cycling holiday by savoring delicious food, fine wines, and the unique charm of your hotel.

📍 Day 2: Trip through the Val di Nievole Valley (approx. 40 km)

You'll cycle along picturesque routes winding through olive groves to the charming village of Serravalle. Gentle climbs reward you with stunning views over the valley followed by a delightful descent back to Montecatini. Along the way, you'll also pass through the historic town of Montecatini Alto where you can treat yourself to a glass of wine on the romantic Piazza Giusti.

📍 Day 3: Trip to Monte Pisani and to the sea (approx. 50 km + transfer and train journey)

A transfer takes you to the summit of Monte Pisano (900 m / 2,950 ft), where breathtaking views of Pisa and the sea unfold before you. From there, enjoy a thrilling descent into the valley. Cycling alongside a historic Roman aqueduct is an experience in itself—but nothing compares to your arrival at the iconic Leaning Tower of Pisa. The route then leads you to the Mediterranean coast and through the scenic Macchia Lucchese Nature Park, ending in the elegant seaside town of Viareggio—the “pearl of the Tyrrhenian Sea.” You'll return comfortably by train.

📍 Day 4: Trip to Florence (by train)

Tuscany's capital captivates with its grand palaces, historic churches, world-class museums, and a wealth of Renaissance masterpieces. 📍 Day 5: Trip to San Gimignano (approx. 55 + transfer)

Your day begins with a transfer to Casciana Terme. From there, you'll pedal through vineyards and gently rolling hills on picturesque routes leading to the town of San Gimignano. Along the way, soak up the sweeping views of Tuscany's timeless countryside, just as they were captured by the great masters. San Gimignano welcomes you with its iconic skyline of medieval towers before a comfortable transfer brings you back to your hotel.

📍 Day 6: Trip to Vinci (approx. 55 km)
