

FROM MUNICH TO VENICE THROUGH FIVE REGIONS

 Self-guided tour

 Bike tour

 540-560 km

●●○ Medium

Duration: 9 days / 8 nights

16 years and older

DESCRIPTION

The cycle track „München-Venezia“ joins pure leisure cycling with the adventure of traversing the Alps from Germany over Austria to Italy. On cycling paths, cycle routes or small side roads you will experience three countries with their various regions and lots of outstanding natural and cultural beauties. „München-Venezia“ starts in the capital of Bavaria – Munich – and leads along Bavarian lakes and Tyrolean rivers through the UNESCO world natural heritage – the Dolomites – to Treviso and finally to the gates of the Serenissima – Venice – with its doges palaces and famous canals. The cycling tour from Munich to Venice is a varied tour. The most demanding stages over the Alps (Innsbruck–Brenner) can be shortened by train or bus and the stage from Dobbiaco to Cortina d’Ampezzo leads easily along the cycle path on the old railway trail. The last two days are downhill and flat towards the sea. The tour is suitable for children over 16 years. If the minimum number of participants has not been reached, we reserve the right to cancel the trip up to four weeks before the “arrival date.” We recommend arranging your travel to and from the destination only after this deadline.

DETAILED ROUTES

Day 1: Munich

Individual arrival to the first hotel in Munich.

(Exception for Oktoberfest: from 18/09/2026 to 26/09/2026 no arrival in Munich is possible. Alternatively, the tour starts in Bad Tölz. Train tickets to get to the starting point in Munich are included in the tour price during this time)

Day 2: Munich – Bad Tölz

(approx. 60 km)

You leave Munich along the river Isar and will find yourself in the midst of untouched nature landscapes and dense forests. You will cycle past abbeys, bavarian villages and across the Isar wetland you reach Bad Tölz, a picturesque old town.

Day 4: Hall in Tirol – Brixen

(approx. 96 km or 88 + train, ticket included)

Once you arrive in Innsbruck, the main city of Tyrol, you can stroll through the historic old town, visit the famous Golden Roof, or take a trip to Bergisel with its ski jump or the Bergisel Museum, which commemorates the battles at Bergisel under the command of freedom fighter Andreas Hofer. The first challenging section of today's route from Innsbruck to the Brenner Pass, the border between Austria and Italy and also a watershed and cultural axis, is covered by train (due to the ever-increasing volume of traffic, cycling on the main road is not recommended). Only a few buildings remain as reminders of the former border. From the Brenner Pass, you cycle along the old railway line to the Fugger town of Sterzing and continue downhill to Brixen.

Day 4: Hall in Tirol – Brixen/Bressanone

(approx. 96 km or 88 + train, ticket included)

Day 5: Brixen – Niederdorf/Villabassa or Toblach/Dobbiaco

(approx. 65 km)

From Brixen a well-built cycling path leads you through the Val Pusteria, passing the Mühlbacher Klause, a former border post. Once it was an antique gate between the provinces Rätien and Norikum. Along the river Rienz you will arrive to Brunico. We suggest a visit of the Volkskundemuseum (South Tyrolean Folklore Museum) in Teodone or one of the two Messner Mountain Museums MMM in the castle of Brunico or on the Kronplatz mountain. From Brunico you cycle along the cycling path along the river Rienz to Villabassa or Dobbiaco, where you will spend the night. After having spent a lot of time on your bike until here, we offer you a free pit stop at our shop in Dobbiaco for a check-up on your bike (only valid for our rental bikes).

Day 6: Niederdorf/Villabassa or Toblach/Dobbiaco – Pieve di Cadore

MUNICH - VENICE SELECT

(approx. 60–65 km)

From here you follow the cycling path on the old Dolomites railway trail passing lake Toblacher See and the War Cemetery reminding World War I. Shortly after, you will admire a unique view on the world famous Drei Zinnen (Three Peaks) before arriving to lake Dürrensee. Slightly steep the cycling path leads to the border of the two provinces Bolzano and Belluno. From now on you roll comfortably downhill direction south to the pearl of the Dolomites, Cortina d'Ampezzo with its astonishing mountain scenery. Today is slightly downhill again, a large part still on the old railway trail – on your left the massif of Sorapis, on your right the massif Cinque Torri (five towers). Through the Boite-Valley you cycle direction South to Pieve di Cadore.

Day 7: Pieve di Cadore – Conegliano

(approx. 80 km)

From here you will cycle on the new cycling path to Longarone. This town was completely rebuilt in 1963 after a landslide at the former Vajont dam, above the village caused a huge flood. From Longarone you cycle on to Conegliano.

Day 8: Conegliano – Venice

(approx. 95 km)

You leave the Alps behind and arrive to Treviso, city of waterways and fashion. On your way you can admire numerous villas from the Italian master-builder Palladio, who was able to complete here his magnificent buildings under the influence of the leading European sea power Venice. River Sile remains your faithful companion in the direction Adriatic Sea to Venice mainland/Mestre from where you can start your exploration of the „Serenissima“.

Day 9: Venice

Individual departure from Venice or possibility to extend your stay.
