

ROUTE FROM CORTINA TO SILLIAN THROUGH STUNNING DOLOMITE LANDSCAPES AND UNTOUCHED NATURE

 Self guided tour

 Winter tour

 130-220 km

 Easy

Duration: 7 days / 6 nights

DESCRIPTION

Two countries, a unique winter paradise and perfectly groomed trails are the three main ingredients of this cross-border cross-country tour. The journey takes place on the official cross-country ski trails of Dolomiti NordicSki, a cross-border Nordic skiing network connecting the Italian and Austrian Dolomites, known for its quality standards, safety and perfectly groomed tracks. The route leads from the glamorous winter sports resort of Cortina d'Ampezzo to the cross-country paradise around Dobbiaco and, finally, across the East Tyrolean border to Sillian. In addition to sporting and scenic highlights, the region also knows how to enchant with culinary delights. Basically an easy cross-country tour, in which the individual sections of the day can be extended or shortened as desired. This makes it ideal for both not experienced cross-country skiers and well-trained athletes.

DETAILED ROUTES

-  **Day 1: Alta Pusteria (Villabassa/Dobbiaco)**
Individual arrival at the hotel in Dobbiaco/Villabassa. Free, unguarded public car park near the hotel.
-  **Day 2: Cortina d'Ampezzo – Alta Pusteria**
(approx. 15 – 35 km)
Starting from the Nordic Arena cross-country skiing centre, where the world's best cross-country skiers compete for important World Cup points on the challenging circular trails every year, you will ski along the former Dolomitenbahn railway line into the Höhlensteintal valley. You can decide whether to stop for apple strudel and coffee at Lake Dobbiaco, continue on to the 'Drei-Zinnen-Blick' viewpoint and take in the view of the Dolomites' most famous landmark, the Three Peaks, or run on to Cimabanche, the provincial border between South Tyrol and Belluno. There is also the option of visiting Cortina d'Ampezzo.
-  **Day 3: Val Casies**
(approx. 20 – 65 km)
Today is all about exploring the various cross-country trails in Alta Pusteria. Run across wide snow fields via Monguelfo into the sunny Val Casies valley. Quaint farms and hamlets line the path and numerous restaurants along the route invite you to stop for a refreshment.
-  **Day 4: Alta Pusteria – Sesto – Sillian**
(approx. 20 – 45 km)
First, the always well-groomed trails lead to San Candido, the cultural center of the Alta Pusteria. From there you can optionally ski along the Sesto river through the idyllic winter forest on a gentle incline all the way to Sesto. Otherwise, it goes directly over the borderland trail from South Tyrol to the Austrian East Tyrol. There is only a short climb before the state border, then the route runs on slightly hilly terrain through a partly forested area to Sillian.
-  **Day 5: Circular tour Obertilliach**
(Obertilliach - trail net approx. 60 km)
The ski bus takes you today to the snow-covered Obertilliach in the Lesach valley. While the professionals are preparing for their upcoming competitions in the cross-country and biathlon center, you can enjoy the excellent snow conditions and cross-country ski runs in the surrounding meadows and forests and choose a suitable round from the extensive cross-country ski network.
-  **Day 6: Dorfberg's high altitude trail**
(approx. 13 km)
In the morning, you will first take the public bus and then a skidoo or snow groomer to the starting point of the stage at Dorfberg. Enjoy the impressive panorama of the Carnic Alps. The trail is located at an altitude of almost 2,000 metres, so there are always ideal conditions for cross-country skiing! As an alternative, you can take a tour in the Villgratental valley (approx. 10 km). Closeness to nature, peace and quiet are the focus in the Villgratental valley.
-  **Day 7: Sillian**
Individual departure or possibility to extend your stay.
